Reeses Pieces Vazquez our wonderful Registered American Kennel Club (AKC) Chocolate Labrador Retriever that we are willing to offer out for Stud Service.

Background: Reeses Pieces Vazquez was born 3/14/2009 from a hunting breeder and family in Ohio. He became a part of our family when he was just 7.5 months old. He comes from a very fine AKC Registered stock with AKC Certified Master Hunters on both sides of his family. Reeses Lineage includes the following AKC Titles are AFC, FC, JH, MH, SH, NAFC Reeses is the most loving, kind, happy (and most importantly for labs) calm. His temperament is one of a kind. He never gets angry, snaps or bites at anyone or anything EVER. He wants to be everyone's friend (both human and other dogs). He loves to lean or sit on or at your feet and can often be found trying to sit in our lap, thinking he's a lap dog. He has truly enriched our entire family!

Temperament: Our Labradors have been around all ages and does extremely well with children. They have had children as young as 1 and 1/2 walking, running around, or hanging on him, trying to ride him like a horse, without issue. Reese's favorite position with kids is as their pillow. He's a go with the flow type of dog who is most happy when he is physically leaning or laying on or at your feet or out hunting down birds! He LOVES to run and swim. Rolo loves to play with tennis balls and will fetch for hours.

Training / Abilities: As our Labradors are Field Labs, they have a built in, extremely strong retrieving instinct! They love to chase birds and squirrels in our backyard. Their lineage has AKC Master Hunters and it shows when they jump in the air, catches and release a bird who shakes off the saliva and then flies away. They love water and to swim. They were fully potty trained by 2.5 months and his litters were fully potty trained to pee pads prior to going home with owners at 8 weeks.

Reeses has fathered six litters of AKC Registered Labrador puppies so far. Litter dates are 1/6/2011, 8/20/2011, 3/20/2012, 11/3/2012, 6/26/2013 and 2/20/2014. The litter certificates are available upon request.

Rolo Ghiladelli is Reeses Pieces' son and a Registered American Kennel Club (AKC) Chocolate Labrador Retriever who was born on 3/20/2012. He has fathered one litter born 10/13/2014 and had 9 puppies in that litter. He had puppies with a cute little chocolate Labrador on 4/9/2016 and resulted in 9 puppies also. This litter produced all chocolate labradors. He had a third litter on 3/03/17 of 7 chocolate and black labradors.

What Owners Say: Our owners say they are the best dogs (in temperament) they've ever had. We also have a lot of hunters that have gotten dogs from us who are impressed with how quickly they learn commands and take to hunting.

Stud Service fee is \$500 upon stud and remainder of price per pup (i.e. If you sell pups for \$1000, you would pay \$500 at stud and \$500 once pup is sold). If your Dam does not become pregnant, then of course we will offer the Stud Service the very next time she comes into heat. (One time only.) If only one puppy is born, then of course we will offer the Stud Service at no extra charge the very next time she comes into heat. (One time only.) Will also post on our social medias (Facebook and Instagram as we have 4,000 followers).

Bottom Line: Reeses and Rolo pass on their traits to their babies. The puppies they creates are not only gorgeous but are very smart and easy to train, and love people! IF YOU WANT SMART AND GORGEOUS PUPS, LOOK NO FURTHER!

We encourage everyone to view our social media sites for videos and pictures and to speak with current owners of our litters.
